

1. User Stories - HoopHub

1. As a registered fan, I want to book a seat in a local venue for my favorite team's NBA game, so that I can be sure to watch the game.
2. As a guest user, I want to view the schedule of upcoming NBA games, so that I can know when matches will take place.
3. As a venue manager, I want to register my venue with details about accessibility and available channels, so that fans can discover it and send booking request through the platform.
